

### **REMARKS**

After entry of this amendment, claims 1-22 are pending. In the present Office Action, claims 9-19 and 21-22 were rejected under 35 U.S.C. § 101 as not tangibly embodying the instructions. Applicants respectfully traverse this rejection and request reconsideration. Claims 1-8 and 20 are allowed.

Applicants respectfully submit that the specification defines a computer accessible medium to be tangible media that store the instructions, e.g. accessible either directly or remotely over a network or wireless link. See, e.g., specification, page 11, lines 1-7. Nevertheless, Applicants have amended claims 9 and 19 (and certain dependent claims, where appropriate) to tangibly store instructions. Applicants respectfully submit that such an amendment is supported by the definition in the specification.
